- On Thursday, we have only one presentation (~ 20 minutes)
- After the presentation, we'll use the rest of the class time to work on the **Assignment**, which summarizes the background research presentations from the past few weeks (**Due date**: Friday, 11/21, 11:59 PM).
- I'll share detailed guidelines on Thursday.

- Please check the rubric in “**Project**” ; feedback on “**Final project proposal**”
- Also check my comments on “Background research presentation” (will be released)
 - I would like to hear more about your methods and experiment results.
 - The first three groups may have tentative results next week, which is fine – but you should still demonstrate clear progress and a concrete plan beyond what was covered in your background research presentation.
